The United States and the EPA reserve the right to recover any Future Response Costs incurred during the time period covered by this accounting but not included in the Bill, and all other Future Response Costs incurred by the EPA or the United States pursuant to the AOC.

The EPA reaffirms its commitment to conduct appropriate and cost-effective oversight of work performed by the Settling Parties. To this end, the EPA is available to discuss with Settling Parties the Agency's plans for overseeing work at the Site. As always, the EPA welcomes suggestions from the Settling Parties on ways to effectively streamline response work at the Site.

Please contact Mr. Fajardo at (212) 637-3132 within two weeks of receipt of this letter if you have any questions regarding the Bill. Thank you for your prompt attention to this matter.

Sincerely yours,

Angela Carpenter, Chief
Special Programs Branch

**Summary of Costs Paid by EPA from October 1, 2013 through September 30, 2014
In Connection with Remedial Investigation/Feasibility Study Activities at the
Rolling Knolls Landfill Superfund Site
Chatham Township, New Jersey**

The costs outlined in this summary include EPA future response costs that have been paid through September 30, 2014.

Regional Payroll

This consists of direct EPA personnel charges for time spent by EPA employees overseeing implementation of the RI/FS for the Site. See the Payroll section of the enclosed SCORPIO\$ Report.

Total Payroll Costs:

\$132,719.85

Interagency Agreement (IAG)

IAGs are agreements EPA executes with other federal agencies. EPA has an IAG agreement with the U.S. Army Corps of Engineers ("USACE") concerning the RI/FS for the Site. The USACE performed document review and technical support work during the period covered by the Bill.

Total IAG Costs:

\$96,847.20

Other Expenditures

These contracts cover preparation of the administrative record and site file management.

Ensoftek Costs:

\$393.94

Indirect Costs

Indirect costs are disbursements from the Superfund for the operation and management of the Superfund Program which are not direct costs (i.e., disbursements recorded in individual Superfund site accounts in EPA's financial management system). Indirect costs are allocated to particular Superfund sites by means of a methodology established by EPA-Headquarters. The enclosed SCORPIOS Report includes calculations of EPA's indirect costs.

Total Indirect Costs:

\$88,236.04

Total EPA Oversight Costs from 10/01/12 through 09/30/13: \$318,197.03
